

**ELIGIBILITY CRITERIA for 80 TON NON-CNC HYDRAULIC PRESS BRAKE**

1. The Bidder shall be Original Equipment Manufacturer (OEM) of the machine and shall have a valid ISO 9001 certificate as on the date of closing of tender and a copy of same should be submitted along with the bid.
2. The details of the manufacturing facility available shall be submitted in the format given in Annexure-1 along with the "Quality Assurance Plan" (QAP) with the offer.
3. The bidder / manufacturer must have supplied at least 01 (One) number of same / similar machine(s) in last 05 years (to be reckoned from the date of closing of tender) to any of the production units or workshops of Indian Railways or other state/central government organizations or major public sector unit or public limited / private company with an annual turnover exceeding 500 crores.
4. Statement of past 5 years supplies shall be as per the format given in Annexure – 2.
5. Same/Similar machine would mean a Non-CNC hydraulic press brake of 80 ton or higher capacity.
6. The Bidder shall, in their offer, submit performance certificate as per Annexure – 3. Machines covered by these certificates must have worked satisfactorily for at least one year from the date of commissioning as on the original date of closing of tender.
7. Copies of POs / commissioning / performance certificates submitted shall also indicate the parameters / specification of subject machine to prove same / similarity aspect of the machine as mentioned.
8. Technical specifications of the machine as featured in PO may be attached to establish similarity of parameters with major parameters of the machine under procurement.
9. The performance certificate shall not be older than one year from the original date of closing of tender. The performance certificate issued after original date of closing of tender (in cases where tender closing date has been extended) is also acceptable. However, the machine must have completed one year of satisfactory working after date of commissioning as on original date of closing of tender.
10. The performance certificate submitted by the bidder shall be issued by actual end user of the machine with their clear signature and address.
11. All information / documents necessary for establishing the requirements as per clauses above shall be submitted by the bidder along with original offer itself for establishing linkage of documents / entities such as manufacturer / PO / PO specification / consignee / supply / Installation / Commissioning / performance certificate of the machine. No further clarification / correspondence shall be sought / entertained in this regard. In case, the bidders furnish no information or incomplete information, the offer shall be summarily rejected.

**Annexure-1****PROFORMA FOR EQUIPMENT AND QUALITY CONTROL EMPLOYED BY  
MANUFACTURER**

1.1 NAME OF THE FIRM:

1.1.1 Back ground in Brief

1.1.2. Location:

1.2 Postal Address:

1.3 Telephone No. (with STD Code

1.4 Telegraphic address &amp; Telex/Fax

1.5 email ID:

1.6 Description of Factory/Works:

1.7. No. Of personnel employed (category-wise)

i) Managerial\*:

ii) Supervisory \*:

iii) Skilled Artisans\*:

iv) Unskilled: 20 \*

\*The qualification may also be indicated

2.0 GENERAL INFORMATION — TECHNICAL

2.1 Description of activities in the Factory/Works:

2.2 Detailed description of machinery &amp; Plant in each department:

3.0 DESIGN CAPABILITY

3.1 Availability of Qualified Personnel:

3.2 Expertise and Facilities

4.0 MANUFACTURING PROCESS

4.1 Level of in-house facilities:

4.2 Important items of work by Outside Vendors:

4.3 Brief details of manufacturing process:

\*Relevant to the Items same/similar items of subject item

5. QUALITY ASSURANCE PLAN in the Organisation:

5.1 In house facilities for inspection and QC

6.0 AFTER SALES SERVICE

6.1 Facilities available at works and branch offices:

7 Research &amp; Development facilities if any:

Authorised signatory of the bidder

**Annexure-2**

**PAST SUPPLIES:** We have made the following past supplies of same / similar machines as per eligibility criteria specified for this tender:

Sl. No.	Description of the machine	Name of the Purchaser with address, Phone/ fax/ email ID	Purchase Order number and date (along with a copy of the PO)@	Quantity Supplied	Date of Supply	Date of Installation and or commissioning	Leading Parameter(s) of the Machine to establish Similarity@

**@ (along with copies of relevant documents to establish linkages of documents /entities to establish eligibility of the bidder as per eligibility criteria specified for this tender)**

Authorised signatory of the bidder

**Annexure-3****CERTIFICATE OF PERFORMANCE****(Letter Head of issuing authority)**

Important Note: i) The certificate shall not be older than one year from the original date of closing of tender. The performance certificate issued after original date of closing of tender (in cases where tender closing date has been extended) are also acceptable however the machine must have completed one year of satisfactory working after date of commissioning as on original date of closing of tender.

ii) Performance certificate shall contain following information.

**TO WHOMSOEVER IT MAY CONCERN**

S.N	Head	Details
1	Name of the Supplier	
2	Name of End User	
3	Name of the machine/description of machine	
4	Purchase/Supply Order Number	
5	Date of Purchase/Supply Order	
6	Date of Supply of machine(s)	
7	Quantity supplied	
8	Manufacturer's Serial Number(s) of machine(s) or Plant/system etc. number (or some mode to identify the machine)(Optional)	
9	Date of Commissioning (Give individual date for each machine)	
10	Performance of the machine	Satisfactory/unsatisfactory
11	Any other information which user intends to append, for example a) aspects bringing out similar nature of machine, b) major/leading parameters of the machine.	

Signature of the issuing authority
